DIAMOND-KOTE WARRANTY HIGHLIGHTS

(Qualifications: Current year plus 6 model years older or newer)

<p>DK 9000 Rust Protection</p>	<p>Guarantee: Covers the treated metal body panels from metal rust perforation, where a hole is evident, from the INSIDE OUT. Rust Protection coverage is from the window line down.</p> <p>Maintenance: Repair all covered body panels if claim requirements are met and re-apply D-K Rust Protection if applicable. If applicable, annual inspections are required within 90 days of original date of sale. If applicable check DK9000 Modules regularly and clean anodes for optimum performance. Vehicle should be washed regularly.</p> <p>Items not covered: Engine, gas tanks, mechanical parts, exhaust systems, on or around moldings, bumpers, surface rust (caulking & seam swelling) and truck beds/cargo areas.</p>
<p>Paint Protection</p>	<p>Guarantee: Covers the treated exterior painted body panels of the vehicle against fading, oxidation, acid rain, pollution, bird droppings and tree sap. If applicable, to ensure maximum coverage re-application of the D-K Paint Shield is required every 5 years (at the customer's expense) or coverage defaults to 5 years.</p> <p>Maintenance: Clean and/or repair all covered areas if claim requirements are met and re-apply D-K Paint Protection. We recommend applying our D-K Paint Restorer twice annually. Vehicle should be washed regularly.</p> <p>Items not covered: Surface rusting of any kind, paint fractures from any type of impact damage (stone chips, etc.). Any damage cause by brake or rail dust and/or any damage caused by metal shavings.</p>
<p>Fabric, Leather & Vinyl</p>	<p>Guarantee: Covers the treated Fabric, Leather & Vinyl surfaces against stains from normal spills (water, coffee, tea, milk, soft drinks, food or urine).</p> <p>Maintenance: Clean the soiled area(s) and re-apply the D-K Fabric and/or Leather Vinyl Protection. For Leather Vinyl we recommend applying our D-K LV Restorer once annually. Do not let stain(s) dry on Material (s) and clean using water only; blotting with clean white cloth. Interior should be cleaned regularly.</p> <p>Items not covered: Interior headliners, floor mats, stains caused by acids, dyes, bleaches or corrosives, mud, grease and failure to use reasonable caution and care to protect materials.</p>
<p>Image Guard: 5 Years</p>	<p>Guarantee: Covers the vehicles metal surfaces if they suffer from surface rust damage or blistering of the outside painted body surfaces. Damage must be a minimum of two (2) cm in diameter to qualify for coverage. Maximum 5-year coverage and 2 repairs per contract only. To qualify for this additional coverage D-K Paint Shield and DK9000 Module or D-K Rust Protection is required.</p> <p>Maintenance: Repair all covered body panels if claim requirements are met and re-apply D-K product(s) if applicable. If applicable, annual inspections are required within 90 days of original date of sale. If applicable check DK9000 Modules regularly and clean anodes for optimum performance. Vehicle should be washed regularly.</p> <p>Items not covered: Vandalism, dents, all inside seam areas, bumpers, frames, pick-up truck beds and other load areas, mechanical components such as but not limited to brakes or fuel lines, undercarriage, hinges, exhaust systems, rust on or around chrome or any metal plated body trim/molding, or adjacent panels. Damage less than two (2) cm in diameter.</p>
